Top Destinations in Malaysia

Langkawi

Take flight about 1 hour 5 minutes from KLIA airport

LANGKAWI

Langkawi is a serene archipelago of 140 islands – only a few of which are inhabited. The largest of these is the eponymous Langkawi Island, which has UNESCO World Geopark status because of its richly populated (by wildlife, that is) conservation areas. The best way to experience these ecological wonders is from high above, on the Langkawi Sky Bridge that stretches above the rainforest. Cheekily-named Pregnant Maiden freshwater lake is a great place to take a dip or play keep-away with the kleptomaniac monkeys.

Kuala Lumpur

About 22 km (30 minutes) away from Sg. Long Campus

KUALA LUMPUR

Kuala Lumpur is the capital city of Malaysia, boasting gleaming skyscrapers, colonial architecture, charming locals, and a myriad of natural attractions. Divided into numerous districts, its main hub is called the Golden Triangle which comprises Bukit Bintang, KLCC and Chinatown. KL is widely recognised for numerous landmarks, including Petronas Twin Towers (the world's tallest twin skyscrapers), Petaling Street flea market, and Batu Caves, which is over 400 million years old.

Genting Highlands

About 69 km (1 hours 15 minutes) away from Sg. Long Campus

GENTING HIGHLANDS

Genting Highlands is a cool hill station set amidst the cool mountain air and a majestic 100 million-year-old rainforest. Just 45 minutes away from KL City, it offers indoor and outdoor theme parks, an 18-hole golf course, a casino, and Malaysia's biggest strawberry farm, all of which are set amidst a majestic 100 million-year-old rainforest. Genting Highlands is also perfect for adventure enthusiasts as activities such as abseiling, indoor rock climbing and flying fox activities are available.

Malacca

About 200 km (2 hours) away from Sg. Long Campus

MALACCA

Malacca is the historical state of Malaysia, rich with heritage buildings, ancient landmarks and colonial structures. It was here that colonial forces first made contact with Malaysia, which eventually shaped the country into its current economic and political system.

Today, in Malacca, you can still see the imprints of British, Dutch and Portuguese forces left behind in forts, museums, churches and towers. Visit Malacca for the cultural experience of a lifetime.

About 36 km (40 minutes) away from Kampar Campus

IPOH

Ipoh is a city in northwestern Malaysia, known as a gateway to the Cameron Highlands hill station. In the former Hakka Miners' Club, Han Chin Pet Soo is a museum about the tin-mining industry and Hakka community. Sam Poh Tong is a Buddhist temple in a limestone cave. To the south, Kellie's Castle is an unfinished mansion built by a Scottish planter. Southeast, the vast Gua Tempurung cave has dramatic rock formations.

Cameron Highlands

About 81 km (2 hours) away from Kampar Campus

CAMERON HIGHLANDS

Cameron Highlands in Pahang is one of Malaysia's most popular tourist destinations, a collection of peaceful townships perched 1500 meters high on a nest of serene mountains. Cooling resorts, tea plantations and strawberry farms sprawl lazily across lush valleys and meandering hillslopes, the perfect setting for a relaxing holiday.

The sea of tranquility, pleasant landscapes and cold climate impart a special experience upon the multitudes of visitors each year. Meanwhile, a different world lies hidden away among the natural surroundings - a rainforest ecosystem rich with the wonders of nature, long held with fascination by researchers and naturalists across the world.

Penang

About 191 km (2 hours 15 minutes) away from Kampar Campus

Penang – a world renowned exotic holiday destination – was known, once upon a time, as Pulau Pinang or the “Isle of the Betel Nut”. Listed as a UNESCO World Cultural Heritage Site in 2008, this virgin paradise has no shortage of cultural sights and natural scenery.

Nicknamed the Pearl of the Orient, Penang is famous for its soft sandy beaches and is fondly regarded as the food capital of Malaysia. Some of the most interesting sites of Penang include the sandy beaches of Tanjung Bungah, the landscape from the summit of Penang Hill and the vipers in the Snake Temple. The quaint nooks and crannies of Georgetown and the Tropical Spice Garden – the only spice garden in South East Asia – as well as Penang’s many flea markets, pasar malams’, KOMTAR and modern shopping malls also merit a visit.
